

Questions & Answers
SITE NAME – Whitewater Badgerland Farm Center
COMM #53190-9999-43
BRRTS # 02-54-096859

Question: The wells are supposed to be surveyed to a USGS datum. However, this site is in a rural area. Can a datum be estimated from a topographic map?

Answer: All monitoring wells have to be surveyed to a USGS geodetic datum, per the requirements of s. NR141.065(2).
